

Dear international friends

We warmly welcome you to join the (inter)national big camp!

July 24 – 29 2019 at Partaharju, Finland!

Find your own way and join Pisara! You have three possibilities:

- **Junior villages:** 5 camp villages for groups of participants from 10 to 15 yrs. If you have Finnish friends, you'll be placed next to them ☺
- **Senior village:** For young people from 15 to 29.
 - o If you are a group of people from 15 to 18 yrs. you should have a leader (18+ yrs.)
 - o If you attend as an individual participant, a group and host leader will be appointed to you!
- **Family village:** Camp for families with small children.

PISARA ("drop") is an outdoor camp for participants from 10 up to 29 years and for families. Actions, games, campfires, music, competitions, art, swimming and social life will be included in the program. In addition to active life, devotions and the outdoor service will call us to face each other and our God Creator.

"By making together we experience Joy, meet the Holy and build Peace".

The theme of the camp Pisara, "Drop" reminds us about our own baptism and refers to drops of joy, water of Life and Peace, and rain as a symbol of Holy Spirit. – Perhaps we'll happen to feel the refreshing real rain in the camp, too ;). At any case, drops must refer to our becoming water activities, swim and play by lake Salvonen!

The camp site – beautiful natural Partaharju – is located in Pieksämäki, central Finland. Everything happens there outdoors: program, meals, games and spiritual life. For accommodation you need your own tents. We expect ca. 2000 participants from all parts of Finland, and from other countries to the woods at Partaharju.

The organiser, Nuori kirkko ry (The Young Church Association), is a child and youth organisation for the Evangelical Lutheran Church of Finland.

Join the adventure!

For more detailed info, see www.pisaraleiri.fi/en. After registration, we'll be in touch!
